Open your heart for more love, laughter and profound moments where talking with animals is real. This 2-day experiential workshop will deepen your spiritual relationship with nature and nurture your soul in its innate ability to communicate with all animals.

Trust and clarity in receiving and sending intuitive information

Personal transformation work to release blocks

Deep Nature Connection

Connecting with animals in spirit

Helping animals in need or distress

Living in connection – you and your animal companions

Pre-requisite: A weekend foundations workshop with myself or another teacher.

Bring with: notebook & pen, printed pictures of all your current animals and 2 of animals who have passed over.
